For those who have not already voted, ballots are on the back table. If you need one, the teller committee will bring one to you to vote now.

While the ballots are being counted, we have a few things to mention.

First, the Delta County Board of Realtors has decided they are not ready to pursue a merger at this time.

Secondly, we have prepared for you a list of the accomplishments of your Board of Directors for this past year, along with a timeline. Those are also on the back table for you to pick up. We will have links to these in the MARLink as well. As you can see, we have been very busy.

There is also a copy of our latest financial dashboard for your information.

Once the votes are counted, and announcements made as to who the new directors are, we will be adjourned.

Thank you all for coming.
